KidMax™ Lifevests For Children

The KidMax PFD series by Revere offers the ultimate combination of comfort and "survivability" for children. If you're looking for the highest quality children's PFD today, look no further. Finally, a lifevest so comfortable, KIDS will want wear it!

The KidMax contains the highest grade, most comfortable PVC floatation foam available today.

Meeting the USCG approvals for Type II and Type III (depending on the model), KidMax offers a high level of buoyancy and an additional "heads up" for infants to help keep their heads out of water.

KidMax Lifevests come in high-visibility yellow and red, 3 front straps and an additional strap that goes between the legs for even greater security.
