Cube Stainless BBQs Propane or 120V Electric

NEW

With a 150 sq.in. cooking-surface and infrared technology, the Cube can be mounted on your boat, set on your patio table or dropped into any flush surface with an opening. Its unique shape lends to easy carrying and storage. The stay cool handle, locking lid and removable grease tray all highlight the quality engineering. A complete inner liner (top and bottom) will keep this grill looking new for years.

Stow 'N Go Barbeque

8500 BTU, Cooking Surface 125 sq. in.

NEW

The lid locks shut, the legs fold up, and the sleek full length SS handle on the top (not shown) makes this the most portable marine barbeque around. This Stow 'N' Go BBQ is perfect for outdoor activities. It's designed to use standard disposable fuel bottles or can be used with larger re-fillable tanks for fixed mount applications. Take this unit to the beach for a day of fun in the sun, on the boat for a relaxing day on the water, or in the park for the family picnic.

- Constructed of 100% stainless steel
- Removable grease tray
- No assembly required
- The slick-looking single arm mounting bracket and accessories are sold separately
