

Original STA-BIL®

Fuel Stabilizer
Keep Stored Fuel Fresh.

- America's top selling fuel stabilizer keeps fuel fresh for quick, easy starts after storage.
- Removes water to prevent corrosion and cleans carburetors and fuel injectors.
- Protects engine from gum, varnish, rust, and corrosion.
- Prolongs engine life.
- Eliminates need to drain fuel before storage.
- For all 2 cycle and 4 cycle gasoline engines.

ORDER NO.	SIZE	TREATS	PRICE
GDE 22206	10 oz.	25 Gallons	\$10.07
GDE 22207	Pt.	40 Gallons	\$13.55
GDE 22214	Qt.	80 Gallons	\$23.86
GDE 22213	Gal.	320 Gallons	\$83.44

MARINE Formula STA-BIL Ethanol Treatment and Performance Improver

With Extra Corrosion Protection & Fuel System Cleaning to help prevent corrosion and improve engine performance year-round. This new concentrated MARINE Formula STA-BIL is designed to fight many of the damaging effects of Ethanol in gasoline.

MARINE Formula STA-BIL has:

- Extra Corrosion Protection – DOUBLE the Corrosion Preventer – to prevent corrosion damage to Fuel Tanks, Fuel Pumps, Fuel Lines, Carburetors and Injectors
- Extra Fuel System Cleaning – A COMPLETE Fuel System Cleaner, with more than FOUR TIMES the Cleaner – to clean-up power-robbing deposits from Fuel Lines, Carburetors, Fuel Injectors and Intake Valves

GDE 22239	8 oz.	80 Gallons	\$13.13
GDE 22240	32 oz.	320 Gallons	\$36.11

Engine Tune-Up & Decarbonizer

- For all 2 & 4 cycle gasoline outboards
- Breaks down carbon build-up and other harmful engine deposits left behind by modern fuels
- Provides a quick, inexpensive solution to most rough-idle problems
- Dramatically improves engine performance and power
- Frees pistons and rings
- Injection-style can may be used to service later model OMCs

ORDER NO.	DESCRIPTION	NET WT.	CTN.	PRICE
CRC 06121	Aerosol Can	13 oz.	12	\$7.13
CRC 06122	Aerosol w/Hose for OMC Engines	13 oz.	12	\$8.24

Mystery Oil

Add to gasoline for perfect top cylinder lubrication. Provides better gas mileage, prevents sticky rings and valves, prevents costly repairs, retards varnish and gum formation, improves compression and performance, reduces cylinder wear and scoring, lengthens spark plug life. Add to crankcase oils. Prevents valve sticking and clatter, extends life of crankcase oils, easier winter starts, extra hot weather protection, retards acid and sludge formation. Perfect for all marine engines.

ORDER NO.	SIZE	STD CTN.	PRICE
MRV 012	Pint	12	\$6.62
MRV 013	Quart	12	\$9.90
MRV 014	Gallon	6	\$38.26
MRV 015	5 Gallon	1	\$184.53

Diesel Conditioner Plus+

- For all-season use.
- Enhances power deliver, starting, and helps engines run smoother and quieter.
- Contains lubricity additives to reduce friction; prevents wear and tear, extending engine life.
- Dissolves gums and varnishes; keeps the injection system clean.
- Reduces injector coking.
- Reduces corrosion and rust formation in tanks and lines.
- Improves efficiency of fuel filter/water separators through demulsification.
- Stabilizes fuel quality during prolonged storage.
- Alcohol free.
- Initial treatment: 2 oz. for every 20 gallons of fuel.
- Maintenance treatment: 1 oz. for every 20 gallons of fuel.

RAC ADT1116	16 oz.	12	\$14.15

Diesel Biocide

- Kills algae and bacteria.
- Kills both aerobic and anaerobic fungi.
- EPA approved as both a biocide and aftermarket fuel additive.
- Prevents internal corrosion of fuel delivery system and engine components due to microbial fouling.
- Provides superior mixing with fuel at all temperatures.
- Fuel and water soluble.
- Continued maintenance prevents fuel system blockage.
- Alcohol free.
- Shock treatment: 0.5 oz. for every 20 gallons of fuel.
- Maintenance treatment: 0.25 oz. for every 20 gallons of fuel.

RAC ADT2116	16 oz.	12	\$27.46

Protective Lead Substitute

The most effective product to prevent premature engine failure caused by valve seat wear. Contains VT-6000 premium gasoline detergent to clean carburetor, engine and fuel injector deposits. Regular use can:

- Prevents premature valve seat wear.
 - Prevent loss of compression and engine failure.
 - Improves performance and fuel economy.
 - Clean-up carburetor and fuel injector deposits.
- 16 oz. treats 125 gallons.
